

W. MOSES AND SONS,

F Street, Storage Warehouse, Corner Eleventh, 224 near M.

We're agents for the famous McCORMICK WATER FILTER. Both are popular. Both do their work thoroughly. Prices, \$2.50 to \$2.75.

Our Furniture floors are alive with interesting values. There's a lot of wisdom in buying at this time of the year. Just before the arrival of the spring goods we can make price inducements that are extraordinary.

Take Hall Racks, for instance. Those long lines of them will have to be brought down to much smaller dimensions. Prices like these will do the work.

- Solid Oak Hall Rack, with umbrella attachment, mirror, 4 brass hooks. \$4.35
- Solid Oak Hall Rack, 4 double brass hooks, bevel mirror, box seat and umbrella attachment. An \$8 value for \$5.25

CHICAGO SELECTED

The Next National Democratic Convention Will Be Held There.

The Windy City Chosen on the Twenty-Ninth Ballot—Claims of Location Presented.

The democratic national convention will be held at the city of Chicago on July 7.

Such was the decision reached by the national democratic committee yesterday, after an interesting and at times exciting session, which continued until 11 o'clock at night. After deciding upon the date, as was stated in The Star, the main interest, of course, centered in choice of the convention city. For this honor there were four applicants, Chicago, St. Louis, Cincinnati and New York. Thirty minutes were allowed each city in which to present its claims. The speeches made by distinguished citizens in each instance were of a high order of excellence, and at times aroused the greatest enthusiasm. The balloting began about 6 o'clock last evening, and from the first a long and bitter struggle was indicated. The first ballot resulted: Chicago, 6; Cincinnati, 11; St. Louis, 19, and New York, 14. There was practically no change, except a slight fluctuation of a vote or two, until the tenth ballot, when Chicago began gradually to increase her vote at the expense of New York.

Chicago Finally Chosen.

At the twentieth ballot New York's strength was rapidly disintegrating, her vote going almost bodily to Chicago. But St. Louis, which had tenaciously clung to her nineteen votes, also captured several of Cincinnati's votes, and on the ballot before the last led New York by one vote. On the last ballot, the twenty-ninth, which was taken shortly before 11 o'clock, the four remaining votes of New York were thrown to Chicago, and she obtained the necessary plurality. Senator Fiske voted for Cincinnati to the last. St. Louis had the support of a thirty-minute vote of the free silver votes in the committee.

The rooms were profusely decorated with American flags, and there was a vast throng of visitors, admitted by ticket, among them among the most distinguished democrats in the country. Quite a number of democratic Senators, and almost half of the democratic membership of the lower house were present. A few ladies were in the parlors. Before the speeches began bountiful banquets were served to the members of the press with the compliments of the city of Cincinnati. By the direction of Chairman Harritt, the roll of states was called, and the four cities, Chicago, Cincinnati, New York and St. Louis, were placed in nomination, amid the cheers of their respective delegations. Thirty minutes were allowed each city in which to present its claims.

Chicago had but one speaker, Judge Adams A. Goodrich, who made a very able, but a strong presentation for the city of the lakes. The arguments in favor of Cincinnati were presented by M. E. Ingalls of the Chesapeake and Ohio railroad, ex-Congressman Follett S. Waldo-Smith of the New York board of trade and transportation, S. C. Crain and Col. John B. Fellows presented the claims of New York. Ex-Gov. Francis, Gov. Stone, Mayor Walbridge and Senator Vest spoke for St. Louis.

Took Their Success Quietly.

There was no attempt on the part of the Chicagoans to celebrate their victory in a demonstrative way, but, on the other hand, they took their success very quietly. The delegates say the preparations for the convention will be arranged by the local committee already appointed for that purpose and the subcommittee of the national committee. The location of the hall in which to hold the convention will be left to the local committee. The delegates left the city today, some going directly home and others going to Fortress Monroe and New York for a visit.

Chairman Harritt expects to issue the usual call for the holding of the convention in a few days. It will be in form very much like the last one, with the changes in dates made necessary by the difference in the time of holding the convention. The call will be issued from Philadelphia.

Six Delegates From the District.

A resolution was offered yesterday by Committeeman Niblock recommending that in the next national convention the democrats of Oklahoma and Indian territories shall be entitled to legal representation with Arizona and New Mexico of six delegates each.

Mr. James L. Norris at once offered and
